

Teachers Development Group

CGI Video - Digital Download Order Form

CURRENT CGI Videos from the Second Edition of the book *Children's Mathematics: Cognitively Guided Instruction* and are the same the videos on the Heinemann website. If viewing them from the Heinemann website serves your purpose, you need not purchase these videos.

The *CLASSIC CGI Videos* and the *THINKING MATHEMATICALLY Videos* are not available on the Heinemann website.

PRIVACY AND RESTRICTIONS

Parents, teachers and children allowed us to make and distribute these videos with the understanding that they would be used for educational purposes only and that the identity of the people in the videos and their privacy be respected. These videos are copyrighted. You may not distribute these videos to others after downloading them and you must agree to use these videos only for educational purposes.

Before downloading any videos you must agree to the following Privacy and Restriction terms:

- I acknowledge that I am purchasing the right to download this video product and understand that the videos are solely for my own use in training educators. They are not to be shared, duplicated, reproduced, or further distributed.
- I will not give these videos or copies of these videos to anyone else.
- I will not post these videos on any website, including password protected websites.
- I will use these videos for teacher education purposes only.
- I will not include these videos, or transcripts from these videos, in any published material without written consent from Teachers Development Group.
- I will not share identifying information about any of the individuals (teachers or children) in these videos.

By checking this box I agree to the Privacy and Restrictions, as explained above. (Required)
